

# Coming in Q4, 2011 – Application Development Kit!

Tektronix Oscilloscope + Application Development Kit = Faster Time To Answer

**The Tektronix Application Developers Kit (ADK)** is the ideal tool for both oscilloscope users and 3<sup>rd</sup> party developers. You can customize apps to your needs, with the tools you're comfortable using, and then share them if you like!

Here's what you get with ADK:

ADK Components	What it Means to YOU
Data Store Interface	2x data transfer speed between TekScope and Windows.
Access to TekScope UI Widgets and GUI	Use tools you prefer.
Template Apps for MATLAB and LabView	Speed up adoption of MATLAB and LabView for your measurement analysis
Access to Tektronix Licensing Mechanism	Leverage the power of Tektronix Sales & Marketing in the distribution of your custom applications.
